Practice management records are EASY to keep with the DAILY LOG

The simplicity and thoroughness of the Daily Log system make it easy to maintain and use efficiently; provides the answer to more efficient practice management procedures — better utilization of your professional time and talent. Only a few minutes each day to keep complete business records — receipts, charges, overhead, net earnings. Fully provides for today's tax needs — easy to take off totals for tax returns, audits, reports. Acclaimed by thousands of dentists as the most practical and easy to use record system ever devised for your profession. Fully dated; looseleaf; printed new each year.

PRICE: One page a day, complete with monthly and annual forms. Hours from 8:00 A.M. to 8:30 P.M., 15 minute intervals, dated for 1964 — \$7.75.

HEARD THIS ONE?

It would be a dull day, indeed, if nothing happened in the office to amuse, or amaze, or even embarrass you. Why not tell DM of the incident or remark? We're always looking for original anecdotes or stories, and for those accepted for publication, DM is glad to send you a check. Mail to DENTAL MANAGEMENT, Ridgeway Center, Stamford, Conn. 06905.
